Angels and Arias

A sparkling selection of opera, show tunes
and carols for all the family

Get into the Christmas spirit with a fun-filled evening of music with fantastic local opera singers including Elise Dye, Gavin Bailey and David Owen-Lewis. Let them entertain you with classic opera and musical numbers and join in with a festive sing-along.

There will also be a silent auction full of desirable items and a delicious cake stall. Tickets include tea or coffee in the interval.

All proceeds from the evening go to support Streetwise Opera's inspirational work at The Booth Centre in Manchester (in partnership with Opera North), using music as a tool to help people who've experienced homelessness move forward in their lives.
