Chris from **Business in the Community (BITC)** attends the Tuesday Job Club via Zoom, which means that people are able to link in with the employment support offered by BITC. Chris is on hand to help people define an action plan and he works one-to-one with them to introduce them to employers who have jobs.

Working alongside Chris, Gaynor is our dedicated job coach and spends quality time with people to help with focused job searching and submitting good applications.

Henry said:

'I chatted to Chris on Zoom and told him what I wanted to do. He helped me fill out some paperwork, booked me in to meet an employer and I was in work the next week!'
